Ms. Shelton,

As Community Liason for Senator Barbara Boxer, I hope you can help me.

My name is Erin Baldwin and beginning on September 17, 2009 through the present, I have been a target of unlawful conduct and brutality of the Big Bear Sherrifs Department.

I hereby request a face-to-face meeting with you at your very earliest convenience to discuss these matters. I will make myself available to your schedule and although I don't have transportation at my disposal, I would respectfully request a meeting nearby Big Bear City.

On October 8-9, 2009, I was severely beaten and burned in custody at the Big Bear Sheriff's Department on Summit Boulevard. I was falsely imprisoned, not read my Miranda Rights, and when I invoked my constitutional rights was treated with brutality and humiliation.

Although I have attempted to resolve this locally, as recent as yesterday, Captain Rick Garland continues to circumvent my civil rights to cover himself and the staff of his Department from prosecution.

I believe my life is in jeopardy and I call upon you as a high-ranking official of the City of Big Bear Lake to step in and bring an end to this madness.

Please respond via email quickly. Thank you for your attention to this matter.

Sincerely,  
Erin Baldwin
